

Measurements from biggest to smallest

Milk bottle: 1 litre and 50

Juice bottle: 1 litre

Wine bottle: 800ml

Sauce pan: 750ml

Wine glass: 672ml

Drinks cup: 580ml

Cola glass: 330ml

Mug: 330ml

Egg cup: 45ml

The cola glass and the mug are the same which you might be surprised by. This is because they are different shapes.

The milk bottle has the most capacity. I thought it was going to be the juice bottle.
