Our Vision:

Let Your Light Shine

Matthew 5:14-16

¹⁴ **"You are the light of the world. A town built on a hill cannot be hidden.**

¹⁵ *Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. ¹⁶ In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.*

Vision Statement:

Through strong Christian values, we inspire and enable all individuals to flourish and shine bright every day in their own unique way.

St Bartholomew's is a warm, friendly and ambitious school where every individual has the opportunity to shine and reach their full potential. We strive to create a safe and nurturing environment where our Christian values of **respect, love, and courage** are instilled in everyone. Through a focus on these values, we aim to empower our students to become compassionate and confident individuals who are ready to positively impact the world around them.

Courage, Love and Respect

We commit to-

- ❖ Promote a love of learning.
- ❖ Celebrate and practise our Christian values in everything we do
- ❖ Support the physical, spiritual and emotional well-being of all individuals.
- ❖ Build a community where we feel safe and secure, learn together, belong, connect and value each other.
- ❖ Prepare students for future academic and personal success in secondary school and beyond.
- ❖ Celebrate diversity and promote inclusivity in all aspects of school life.

Policy Statement

As a Church school, worship is an affirmation and celebration of our Christian ethos where children have the opportunity to learn, worship and grow in their understanding of God and of themselves. Worship in our school is not simply a statutory duty. It is the heartbeat of our school life – a time to gather together, reaffirm our vision and associated values courage, love and respect and celebrate the central role that each pupil and adult have to play in our community.

Our acts of collective worship reflect the variety of traditions found in the Church of England and recognise and follow the Christian liturgical year. The daily Christian act of worship is central to our ethos and is supported by all staff and governors. It makes an important contribution to the overall spiritual, moral, social and cultural development of the whole school community see spiritual development policy.

The aims and purpose of Collective Worship as defined by the Education Reform Act 1988 are as follows:

- To provide an opportunity for the children to worship God
- To enable children to consider spiritual and moral issues
- To enable children to explore their own beliefs
- To encourage participation and response
- To develop in children a sense of community spirit
- To promote a common ethos with shared values and to reinforce positive attitudes

The Legal Requirements

We seek to comply with the School Standards and Framework Act 1998 (Section 70 and Schedule 20) which requires that:

- All registered pupils (apart from those whose parents exercise the right to withdrawal) must on each school day take part in an act of Collective Worship.
- The daily act of Collective Worship should be conducted in accordance with the provisions of the Trust Deeds of the school and the ethos statement in the Instrument of Government, and should be consistent with the beliefs and practices of the Church of England.
- All acts of Collective Worship in Church schools must be Christian in character. Pupils can be grouped in various ways for worship such as the whole school, year groups, tutor groups, classes, or other combinations.
- Acts of worship must be appropriate for the pupils in that they should take account of the pupils' age, aptitude and family backgrounds.
- The daily act of Collective Worship will normally take place on the school premises but all schools are able to hold their Act of Collective Worship elsewhere (e.g. the local Parish Church) on special occasions.
- Responsibility for the arrangement of Collective Worship in a Church of England school rests with the Local Governing Body in consultation with the Headteacher.

Principles of collective worship

Each adult and pupil will experience worship that is truly welcoming, inclusive and exemplifying the principles of Christian hospitality (see Church of England's Collective Worship Guidance).¹ Collective worship therefore will be:

- **Inclusive** – Our acts of worship recognise that pupils and staff come from homes of different faith backgrounds as well as no faith backgrounds, so it will be inclusive of, and fully accessible to all. Care will be taken to ensure that language used by those facilitating worship avoids assuming faith of those participating, listening or watching.
- **Invitational** – In our acts of worship, there is no compulsion to 'do anything'. Rather, worship will provide the opportunity to engage whilst allowing the freedom of those of different faiths and those who profess no religious faith to be present and to engage with integrity. Pupils and adults will only be invited to pray and sing if they wish to do so.
- **Inspiring** – By asking and discussing big questions about who we are and what we do in worship we hope to motivate pupils and adults into action. There will be opportunities to think, reflect and ponder on their and the wider community's behaviour and actions.

Implementation

In addition to the above, we seek to provide acts of Collective Worship that reflect the faith and practice of the Church of England. Therefore:

We use the Bible as a sourcebook for inspiration and learning and make pupils familiar with the Lord's Prayer, psalms and other verses of scripture. We also introduce them to a variety of well-known prayers – many of which express the central beliefs of Christians throughout the ages.

We use aspects of Anglican liturgy to create a framework for worship- gather, engage, respond, send. We observe the cycle of the Anglican year including celebrations of the major Christian festivals.

In St Bartholomew's School, we aim to provide a worship spaces which are attractive and well prepared with appropriate thought having been given to colour, space, seating, ambience and music.

We foster links with St Bartholomew's Church, involving the Reverend Canon Jonathan Gordon in leading collective worship and providing coherence between worship in church and school and visit at least 6 times per year as part of the Christian calendar.

We recognise that different members of our school community spiritually reflect in different ways. Music, story, silence, prayer, drama and other approaches are incorporated within a varied collective worship offer.

Connections with other Christian denominations and faiths

The Anglican Communion sees itself as part of a global church and promotes ecumenism. At St Bartholomew's School we work to promote links with other local churches and Christian organisations and welcome their clergy and leaders as contributors to acts of collective worship. We recognise that while some of our pupils and families belong to Anglican churches, many worship regularly at churches of other Christian denominations, while others come from different faith backgrounds or none. We endeavour to provide a setting in which the integrity of those present is not compromised, where everyone finds something positive for themselves and there is no pressure to participate inappropriately or to believe.

Rights and Responsibilities

As established by the 1944 Act and reinforced through this policy, parents have the right to withdraw their children from Collective Worship. However, having chosen to send their children to St Bartholomew's School it is hoped that no one will exercise this right. Should such a situation arise, appropriate arrangements would be made in keeping with the requirements of the Act.

Planning

Planning for Collective Worship is led by the headteacher who is also the CW lead and is undertaken in consultation with the St Bartholomew's School adult community. Plans follow the cycle of the Anglican year and link to the Diocesan collective worship resources which are underpinned by Values for Life which is based upon Christian Values. Our plans also include the value focus for the term. Christian values lead the termly focus which the Head teacher, together with the Clergy and a group of children from Year 5 (Church Council) plan the worship for the term. The headteacher ensures that leaders and visiting speakers receive copies of the long-term plans. Individuals and groups are responsible for using the plans as a basis for developing their own short term plans for individual acts of worship.

Organisation

An act of Collective Worship is held daily. This may involve the whole school or smaller class or key stage groups. Where collective worship forms part of an assembly, we ensure that there is a clear distinction between the two elements of gathering.

The headteacher and other members of staff together with groups of children take turns to conduct Collective Worship. The local vicar, Reverend Canon Jonathan Gordon takes collective worship weekly and leads worship when we come together at St Bartholomew's Church.

We conduct Collective Worship in a dignified and respectful way expecting children to behave appropriately. We create a suitable atmosphere by using music, pictures or other artefacts to act as a focal point.

Monday	Whole School- led by Clergy
Tuesday	Whole school – World views and events
Wednesday	Whole school – Values led by Headteacher
Thursday	Whole school- Song Worship
Friday	Whole school- Celebration

We invite parents to collection worship in church and celebration worship throughout the

year. Governors are also welcome to attend acts of worship at any time.

Resources

The budget for Collective Worship is distinct from the budget for Religious Education. There is a wide selection of assembly books and artefacts which we regularly update and improve. We have a collection of CDs and digital audio which are used to provide suitable music as children enter and leave the hall as well as to accompany singing. Those leading worship also access professional development opportunities.

Contribution to Spiritual, Moral, Social and Cultural development

We recognise that although SMSC development should be fostered across the whole curriculum, acts of Collective Worship provide a multitude of opportunities in this area. For example, children will be encouraged to reflect on and celebrate the deeper meanings of life, consider their own behaviour and recognise the need for forgiveness, appreciate the contributions of others and respond to their needs, value their own culture and the cultures of others.

Monitoring and Evaluation

We aim to develop the monitoring and evaluation of Collective Worship by continuing to keep records of Collective Worship and surveying adults and children as to their views on its effectiveness. We intend to make the criteria for successful worship available to all those who plan and lead it before asking them to submit short term plans. The coordinator and others will routinely observe and monitor acts of Collective Worship in line with these criteria.

Inclusion

We are committed to equality of opportunity regardless of race, gender, cultural background, ability or any physical or sensory disability. We therefore aim to make Collective Worship accessible to all and accommodate ourselves to individual needs when appropriate.

Implementation of Policy

The Principal/headteacher as Collective Worship Coordinator is responsible for this policy which will be reviewed every two years. Its implementation is the responsibility of all those planning and leading Collective Worship.

Review

This policy will be reviewed every two years.
