

Term 2		
Week one	5&6_LS9	Geometric Reasoning 1
Week two - three	5&6_LS10	Proportional Reasoning 1 (Percentages)
Week four	5&6_LS11	Multiplicative Reasoning 4 (Division)
Week five	5&6_LS12	Spatial Reasoning 1 (Area and Perimeter)
Week six	5&6_LS13	Fraction Reasoning 2 (Multiplying and Dividing with Fractions)
Week seven	5&6_LS14	Spatial Reasoning 2 (Volume)
Week eight	5&6_LS15	Proportional Reasoning 2 (Ratio and Scaling)
Week nine - ten	5&6_LS16	Positional Reasoning (Angles & Translation)

## 6LS23 – Fraction Problem Solving

*Can be used at any time after LS13 has been taught to support reasoning about fractions. Teachers may choose to use this before SATs with Year 6 only for revision purposes or to develop reasoning skills for both Year 5 and 6 pupils.*
